

2021 Community Development Block Grant (CDBG)

Name:

Public Improvements Steering Committee

Project Ranking Ballot

Project Name	Applicant	Funding Request	Ranking (1-4)	Funding Recommendation	Comments
Reamstown Heights Subdivision – Stormwater System Repairs	East Cocalico Township.	\$200,000			
East High Street – Pedestrian Improvements	Manheim Borough	\$200,000			
College Avenue – Sanitary Sewer Line Replacement	Elizabethtown Borough	\$185,950			
Gymnatorium Renovation	The Factory Ministries	\$200,000			

Factors to Consider During Ranking

- Merit of the Application and Proposed Project
- County 5-Year Non-Housing Priorities (In Order)
 - Infrastructure projects that support development of new affordable housing
 - Public water and sanitary sewer projects to sustain existing affordable housing
 - Neighborhood infrastructure projects
 - Community facilities
- Community Need/Outcome
- Consistency of the County and Local Plans

Comment Examples

- Receive full funding; no funding; funding for sewer/water line work only; funding should be the same as above ranked project; 50% of requested.
- Any of the factors above (merit, high/low priority, community need and beneficiaries, county and local planning)
